The screenshot displays the Computershare Investor Center website for the United States. The main navigation bar includes the Computershare logo, the text "Investor Center - United States", and links for "Country" (set to United States), "English", "Help", and "Contact Us". A "Company Research" button is also visible.

The central focus is the "Ask Penny" chat window, which is titled "Ask Penny - Google Chrome" and shows the URL "www5.nohold.net/Computershare/ukp.aspx?login=1&pid=18&done". The chat interface includes a "Back" button, a "Print this conversation" button, and a message from Penny: "Hi, I'm Penny, Computershare's virtual agent. While I'm not a real person, I am designed to help answer questions about how to use Investor Center. I am unable to assist with questions specific to your account." Below this, a list of disallowed topics is provided: "Do not type any personal or sensitive information (e.g. social security number or email address)", "Do not type account information (e.g. name, holder of your address)", and "Do not type company information". A "How can I help you today?" section lists "Most Frequently Asked Questions" with links to "How do I access my account online?", "How do I transfer shares?", "You want to change your last name", "How do I sell shares?", and "You want to know if we have live online chat". At the bottom of the chat window is a search bar with the placeholder text "Type your question here" and a "SEND" button.

Two blue callout boxes with arrows point to specific elements: one points to the "Click here for more information" link in the "Most Frequently Asked Questions" list, and the other points to the "Type your question here" search bar.

On the right side of the page, there are three promotional banners: "Get instant help from our online resource" with an "ASK PENNY" button, "Investor Center is Now Optimized For Your Smartphone" with a "LEARN MORE" button, and "The largest selection of Direct Stock Purchase Plans in the industry" with a "BUY STOCK DIRECT" button.

At the bottom left, a disclaimer states: "Please do not type in confidential information such as your Social Security Number (SSN) or Holder Identification Number (HIN)." Below this is a copyright notice: "Copyright © 2018 Computershare Limited. All rights reserved. Reproduction in whole or in part in any form or medium without express written permission of Computershare Limited is prohibited.
