Dealing with uncertainty and volatility is the “new normal” – and is likely to remain so for some time. While this inevitably brings some short-term challenges, especially for the consumer goods sector, we believe Diageo’s leadership team remain well-positioned to navigate those challenges and to take advantage of emerging opportunities, as we have done successfully in recent years.

Long-term view of the business
Despite this ongoing turbulence, the fundamentals of our portfolio remain strong, we are well-positioned to take advantage of opportunities, as we have done successfully in recent years.
